

THE SECOND COMING OF MARTIN ZENDER AND DAN SHERIDAN

You are invited to join us at our house this coming weekend for an intimate time of scriptural presentation and fellowship!

Saturday, March 21, 2009

- ▶ **10:00 AM - 3:00 PM:** Hang out with Zender and Sheridan.
- ▶ **3:00 PM:** Dan Sheridan will speak, followed by discussion. Dan is with Cross and Throne Ministries in Chicago and hosts a radio program that is broadcast in several cities. He has testified to the grace of God from the largest Christian radio station in Chicago, WYLL, before being forced off the air.
- ▶ **5:00 PM:** Fellowship meal - Mexican pile-on. Contact Dollie at 468-6413 to find out what to bring. Note: If you are not from Amarillo, please don't bring anything but an appetite!
- ▶ **6:30 PM:** Martin Zender, the author of six books on spiritual freedom, including *How to Be Free From Sin While Smoking a Cigarette*, and *Martin Zender Goes to Hell*, will speak on **"What We Believe."** He will compare the three essential elements of Paul's gospel of pure grace with those things the Jews must be believing in order to enter the kingdom. Are these beliefs the same? No! If you are not sure whether you will be a part of the kingdom on earth or a member of the body of Christ - you need to attend this meeting. Additionally, Martin will analyze the three basic "teachings of demons" (1 Tim. 4:1) infecting the world today. He will not only tell you WHY Satan devised these particular teachings, but will give you vital information on the purpose of the armor of God, a purpose concerning which you will hear nothing in orthodox churches. Discussion to follow.

- ▶ **6:30 PM:** Martin will speak on **"Where We Are On God's Timetable."** Martin will give an overview of the five eons, the three earths, and the three heavens, and explain to you why the kingdom Jesus proclaimed did not come at Pentecost. You will leave this meeting feeling so thankful that you were born in this time. Martin believes that we are living in the era in which God's purposes for the nations are being fulfilled, and will give you the **NUMBER ONE REASON** why he believes this wicked eon is about to end. Additionally, you will discover what you should be found doing before the coming of Christ. Do you wonder why there is **SO MUCH** evil in the world, and why life seems to get harder and harder? At this meeting, you will find out. Discussion to follow.
